

# WE NEED YOU!

## SHARE YOUR GIFTS

### **DONATE**

Your financial support provides a loving home and personalized, quality care to the first housemates. State funding is not available during the first six months after housemates move in. In this way, L'Arche's need will never be greater than now!

### **VOLUNTEER WORK DAYS**

Paint, assemble furniture, organize, deep clean - everyone can lend a hand! Join the Volunteer Mailing List on our website & stay tuned for opportunities.

### **SHARE OUR STORY**

Bring a friend to a L'Arche event or invite us to speak about inclusion & belonging at your place of worship, civic group, or workplace.

### **GARDEN HELP**

Our home has a lovely garden and lots of yard space. Use your green thumb to care for our outdoor spaces.
